# PROTEST RALLY

Monday 6<sup>th</sup> December at 12.30pm  
on the steps of Parliament House.

Tell the Upper House Liberals & Independents we don't need *another*  
parliamentary enquiry into same sex relationships.

If there's another inquiry, we won't get equality for at least 2 years -  
until after the next election.

Tell them Justice Delayed is Justice Denied.

Tell them to vote FOR the Same Sex Relationships Bill.

Bring banners, placards & noisemakers.

**TELL THE UPPER HOUSE: DON'T KILL THE BILL!**
